

THE COMPLETE CHURCH MANAGEMENT SYSTEM

The Complete Church. In One App.

Built exclusively for the Church of South India, ChurchBell brings every member, every transaction and every record of parish life onto one quiet, reliable platform. Trusted since 2022, growing from one Sunday to the next, from one church to another.

ADMIN WEB APP · ADMIN & MEMBER MOBILE APP

Your entire church, on one platform.

- People**
 Members, families, groups and self declarations, remembered for generations.
- Finance**
 Transactions, subscriptions, auctions and service registers, recorded instantly.
- Reports**
 PC Meeting reports, trial balance, day book and Tally exports, all in a single click.
- Records**
 Baptism, confirmation, wedding and burial records, preserved for generations.
- Notifications**
 WhatsApp receipts, SMS confirmations and daily wishes, sent automatically.
- Apps**
 Admin and member apps so the whole parish stays connected.

One platform. End to end. Nothing left on paper.

— EVERY PART OF THE CHURCH

Five pillars. One platform.

Everything your parish runs on, in **one place**. Hours of Sunday paperwork, done in **minutes**, so pastorate committee members can spend more time with the congregation.
